RE: FOIA Request EPA-HQ-2017-006299

Dear Dr. Burin:

This message will confirm receipt of your FOIA "Requesting documents submitted to EPA or generated by EPA for Case Number P-00-1165 including a copy of the Premanufacturing Notification, the Health Assessment, the focus meeting notes, the engineering report and SAT information that EPA used to make a regulatory determination." To clarify, are you seeking information claimed as confidential business information ("CBI") or only nonconfidential information? We can provide you with a nonconfidential version of the PMN and nonconfidential information used to make a regulatory determination fairly quickly.

Thank you for your attention and response here.

Adam
